

Summer Silhouette™ Care Recommendation and Warranty

Care and Maintenance Recommendation

Clean your Summer Silhouette™ outdoor furniture with a soft, wet towel using a mild soap and water solution. Dry completely with a soft towel. Clean cushions with a mild solution of soap and water and air dry completely. Store cushions in a clean, dry area of your home when not in use. Do not machine wash or dry the cushions. Do not use bleach or strong solvents to clean any of your Summer Silhouette outdoor furniture, as it will harm the fabrics and the metal finish. Caution should be used when using oils, lotions and other chemicals, such as chlorine, or repeated exposure to extreme weather conditions (including heat), which may cause permanent discoloration of the frame and/or fabrics. Caution should be used when using oils and lotions, as they can attract dirt which can harm your outdoor furniture's finish and fabrics. Please note that some food items will harm your outdoor furniture's finish and fabrics. Chemical spills and food spills should be removed immediately from your furniture. To maintain and protect your outdoor furniture, always cover it with an outdoor furniture cover or store it in a safe (covered and protected) interior area of your home when not in use for extended periods of time.

Manufacturer's Limited Warranty

Our Summer Silhouette™ outdoor furniture is warranted by the manufacturer to the original purchaser for a period of one (1) year from the date of purchase, when purchased at The Home Depot® or homedepot.com, against defects in workmanship and materials. If your Summer Silhouette outdoor furniture fails structurally during normal use (other than damage as a result of dropping or breaking a cast part) or if the finish peels, cracks or blisters (provided the product has not been scratched or abraded) within one year of purchase, the manufacturer will repair or replace the frame at its discretion (with the same or similar product if the original product is discontinued) at no charge. Due to the unique nature of hand-applied finishes, the color of a replacement item might not match that of the original item. Cushion warranty: Cushions are warranted for the same (1) one-year period against seams separating or tearing.

Manufacturer's warranty excludes the following: Furniture damaged as a result of being dropped or other abuse or unreasonable use. Improper assembly, care, cleaning, maintenance or handling. Damage, buckling or splitting of frame, welds or tubing resulting from exposure to water and freezing temperatures. Corrosion or rusting of hardware. Fabric fading and/or mildew/mold on fabric. Fabric discoloration or staining as a result of exposure to the elements, oils, spills, fluids, chemicals or certain food items. Scratches and chips resulting from normal wear and tear, including fading of the finish after being exposed to the elements. Glass table top against breakage (use care when unpacking). Furniture sold as display model, clearance items or other as-is condition. Freight damage. Damage due to acts of nature, vandalism, fire, God or war. Use for/in commercial purposes. Independently purchased parts or replacement parts. Loss of time and/or inconvenience, money, travel packaging or any other consequential or incidental damages. In no event shall the manufacturer's responsibility exceed the value of the replacement product.

Freight: Shipping and handling charges are at all times the responsibility of the claimant. We do not ship our outdoor furniture outside the United States of America.

Warranty is to the original purchaser and is not transferable. Warranty covers only Summer Silhouette patio furniture from Thomasville® purchased at The Home Depot stores and at homedepot.com.

All warranty claims must be submitted with a dated cash register receipt from The Home Depot within the warranty period. Should replacement of the warranted item be unavailable, the manufacturer reserves the right to substitute an item of its choice similar in style, color and quality. For quality control purposes and verification, we reserve the right to request photographs of the damaged item. The terms of this warranty are subject to change without notice.
